

ONE COMMUNITY... ONE FAMILY

# SCEC

**RETURN TO SCHOOL PLAN**  
2021-2022 SCHOOL YEAR

## MASKS

- Masks will be **REQUIRED** for the 2021-2022 school year for all students and staff within the school setting.
- Masks are not required for recess and other outdoor activities, if you can physically distance.
- Masks **MUST** be worn on buses, as per Federal mandate.

## SOCIAL DISTANCING & CLASSROOM ENVIRONMENT

- Social Distancing of 3 feet is recommended in all areas of the building.
- Frequent cleaning of surfaces, tables, doors, restrooms and shared equipment will continue.
- Seating charts will be maintained in classrooms to monitor and address any students that may be identified as close contacts. Dividers will be available to create physical barriers in all classrooms.

## HYGIENE

- Wash hands frequently with soap and water at least 20 seconds.
- Hand sanitizer stations will be available at building entrance and common areas such as cafeterias. Hand sanitizer will be available in each classroom.

## WATER

- Water fountains will remain closed for the 2021-2022 school year.
- Elementary students are encouraged to bring their own water (water bottles should be clearly labeled). Secondary students will be given a bottle of water in the morning and afternoon on a daily basis.

## EXTRACURRICULAR EVENTS

- Social distancing of 3 feet is recommended.
- Masks are required (*Masks will follow the tier of color on our COVID-19 Summary Plan*).
- Events hosted with precautions per City of East Chicago Ordinance. (*Events will follow the tier of color on our COVID-19 Summary Plan*).

## FIELD TRIPS, VOLUNTEERS & VISITORS

- **Field Trips:** Field trips may be limited, based on the level of COVID spread in the community.
- **Volunteers:** Volunteers must wear a face mask at all times and practice social distancing.
- **Visitors:** Visitors who must enter the school (for example, to pick up student) must report to the main office. Masks are required for all visitors.

## CONTACT TRACING

Those who have experienced symptoms should get tested and may return after day 14 of quarantine and are symptom free without medications.

## MISCELLANEOUS INFORMATION

### **Diagnostic and screening testing and vaccinations**

Per federal and state guidelines testing and vaccinations are widely available at local pharmacies and health care providers.

### **Local and state health officials**

District administration will continue to collaborate with local and state health officials and make updates to re-entry plans throughout the 2021-2022 school year.

### **Students needing accommodations due to Covid-19**

Appropriate accommodations for children with identified medical needs to be addressed through building administrators on a case by case basis.

## MITIGATION MEASURES

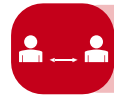

### **Lessons learned: Proven and effective strategies for stopping the spread of COVID-19**

**Sick students & staff must remain home with COVID-19 symptoms**

**Masks (required)**

**Maintain social distancing (3 feet)**

**Wash hands often**

**Follow all posted signage**

## ARRIVAL TO SCHOOL

- ✓ **Bring fully charged device and any other instructional materials**
- ✓ **Facial covering (Required)**
- ✓ **Use designated arrival entrances**
- ✓ **Maintain 3 feet of distance from others at all times during school**

## FACILITY SAFETY

- Increased daily cleaning protocols in accordance with CDC and OSHA guidelines.
- Increased cleaning of restrooms and commonly touched surfaces such as doorknobs, railings, sinks, countertops, etc.
- Hallways and stairways designated as one-way or directional marked for traffic flow.

**First day of school will be on  
Monday, August 16, 2021**
